Santa Clara Yachting Club

Who we are ,our history and our vision

- Yachting club founded in 2023 , by the team members of Santa Clara Regatta Racing Team
- More than 8-year experience in sailing and regatta racing
- We promote yachting and regatta sailing boats racing as green sport in Romania on the Black Sea.
- Our mission is to create a Yachting community which can combine yachting and fun, a mixt and balanced between regatta racing and cruising activities
- A team spirit which can help our club members to develop their sailing navigation skills, but also personal skills, friendship, camaraderie, safety, communication and teamwork.
- It's more than just sailing.....

Sponsorship

Why your sponsoship is important for us ?

- **Santa Clara Yachting Club** is a non-profit organization
- All sponsorship, donation and private owned club funds will be fully used to :
  - To promote your Company logo on our Yachting Club activities
  - To cover our yacht expenses for annual marina docking, annual boat maintenance, taxes, repairing, insurance, banking fees, etc
  - to help Santa Clara Yachting Club regatta racing teams to be more competitive, to sail in safety conditions on challenging weather, wind or big sea waves
  - To buy new sails and maintain existing ones
  - To buy needed yacht spare parts and safety equipment for our sailing yacht
  - To promote Yachting as a green sport in Romania and on the Black Sea
  - Our club racing teams need your sponsorship to represent Romania on national championship or international regattas like Bosphorus Cup (Istanbul Turkey), Friendship Regatta (Varna Bulgaria), Black Sea 200 (Burgas Bulgaria) or others

Sponsorship

Sponsorship Benefits

- Romanian Yachting community is a highly educated community which includes people from many diverse key industry market verticals like businessmen and entrepreneurs, doctors, tech engineers, senior directors or corporate employees, public state and government key employees, major retailers or top media bloggers and TV stars.
- According to Romanian laws, sponsorship is fully deductible up to the minimum between 20% from profit tax or 0.75% from total annual company revenue
- Sponsorship money will not affect your Company revenue, TCO or Profit and if you don't use it, they will be redirected automatically by the state

Benefits for your Company :

- Your Brand Awareness though all Yachting Community
- Promote your Logo on all Yachting Regattas sportive events, Corporate regattas, Yachting social events or on all our workshops and our yachting club activities.
- Promote online as sponsor on our www.yachtingclub.ro website or on social media channels
- Sponsor logo can be displayed on our regatta racing T-Shirt, flags onboard or on one or multiples sails or branded on our boat
- Promote your Company Logo Visibility on National or International regatta events

Corporate Sailing Activities

It's more than sailing…. It's all about Teamwork, Collaboration, Friendships and Trust

- **Teambuilding or Team Outing on a Sailing Yacht**
  - Team members learn to communicate, delegate and collaborate
  - Everyone gets a chance at the helm, navigation and sail trim, one after another and will learn about team synchronization and safety on the sea.
  - All team members alternate between all tasks on the ship
  - Our skipper directs the team, and stimulates teamwork
  - After a day out at sea, your team will be more in tune, communicate better and feel more as one.
  - We end this wonderful experience with a glass of champagne for everyone

Workshop sailing events with your Business Partners, Customers or Friends

- Invite your customers /partners on an outstanding sailing cruising experience
- This experience will help you build trust and consolidate your image
- Our sailing workshop events are perfect to meet and amaze new buyers

- **Corporate Regatta**
  - Recreational regatta event for 1-2 days which includes from 4 to 15 sailing boats
  - All participants are divided into crews of 6-10 sailors led by an experienced skipper who will assist in all activities.
  - Along with great fun, our instructors will show how victory on the water translates to victory in the business world
  - Teams will compete and race against each other.
  - Skippers will teach their teams the basic sailing techniques, so that participants with no experience can manage to perform different functions on the boat.
